Declaration

I hereby signify my willingness to stand for office as candidate for:

Program Committee

I agree, that if elected, I will adhere to the Bylaws and Policies and Procedures of NANOG currently in force and as may be amended by the membership from time to time.

1) Provide a brief biography of recent experience, associations, and affiliations relevant to serving on the NANOG Board of Directors or NANOG Committees. Please be as specific as possible.

While I haven't been to many NANOGs one of the recurring themes brought up in general discussion is the aging community. As a young member I feel I bring different perspectives to the community. In my work I also help maintain and design

the network used for the company's managed DNS services. In doing this I interact with other network operator and datacenter companies from around the world. Due to this I also believe it gives me a good perspective on the internet and the community that runs and maintains it.

The following questions are to be answered by Board of Directors Candidates ONLY

- 2) Describe the relevance of your technical and professional experience to serve on the position you are interested in.**
- 3) What Internet-related services do you or your current employer or organization provide?**
- 4) Are there any conflicts, real or perceived that might arise should you be elected as a NANOG Board of Directors or Committee member?**
- 5) What contributions do you plan to make to NANOG over the next year? What are your personal objectives should you be elected?**
- 6) What advantages does and will NANOG gain by your contribution of resources, contacts or influence in the industry?**
- 7) Describe any concerns or limitations on your ability to participate or travel to attend Board or Committees Conference Calls or, Meetings, and NANOG Meetings in person or to serve the entirety of your term.**
- 8) Board and Committee experience, if applicable:**
