**General Discussion:**

- NANOLOG 66 Program
  - Meeting Space: Discussion about improving the needs of the break out rooms for future meetings.
  - Open Seating: Would like to move from the large round tables to cocktail tables.
  - Discussion about the need for a keynote speaker every meeting.
  - Agenda: CFP will not include specific agenda items. Tracks and Tutorials will be confirmed once the tracks and tutorials are approved.
- Action: De' to provide the PC with history of head counts for future tracks and tutorials
  
- PC Tool
  - Request for additional changes in the Tool
- Action: Two PC members need to write a list of requirements and submit to ED.

Meeting adjourned at 2:30pm
