NANOG 29

OCTOBER 19-21, 2003 - CHICAGO

Welcome to Chicago

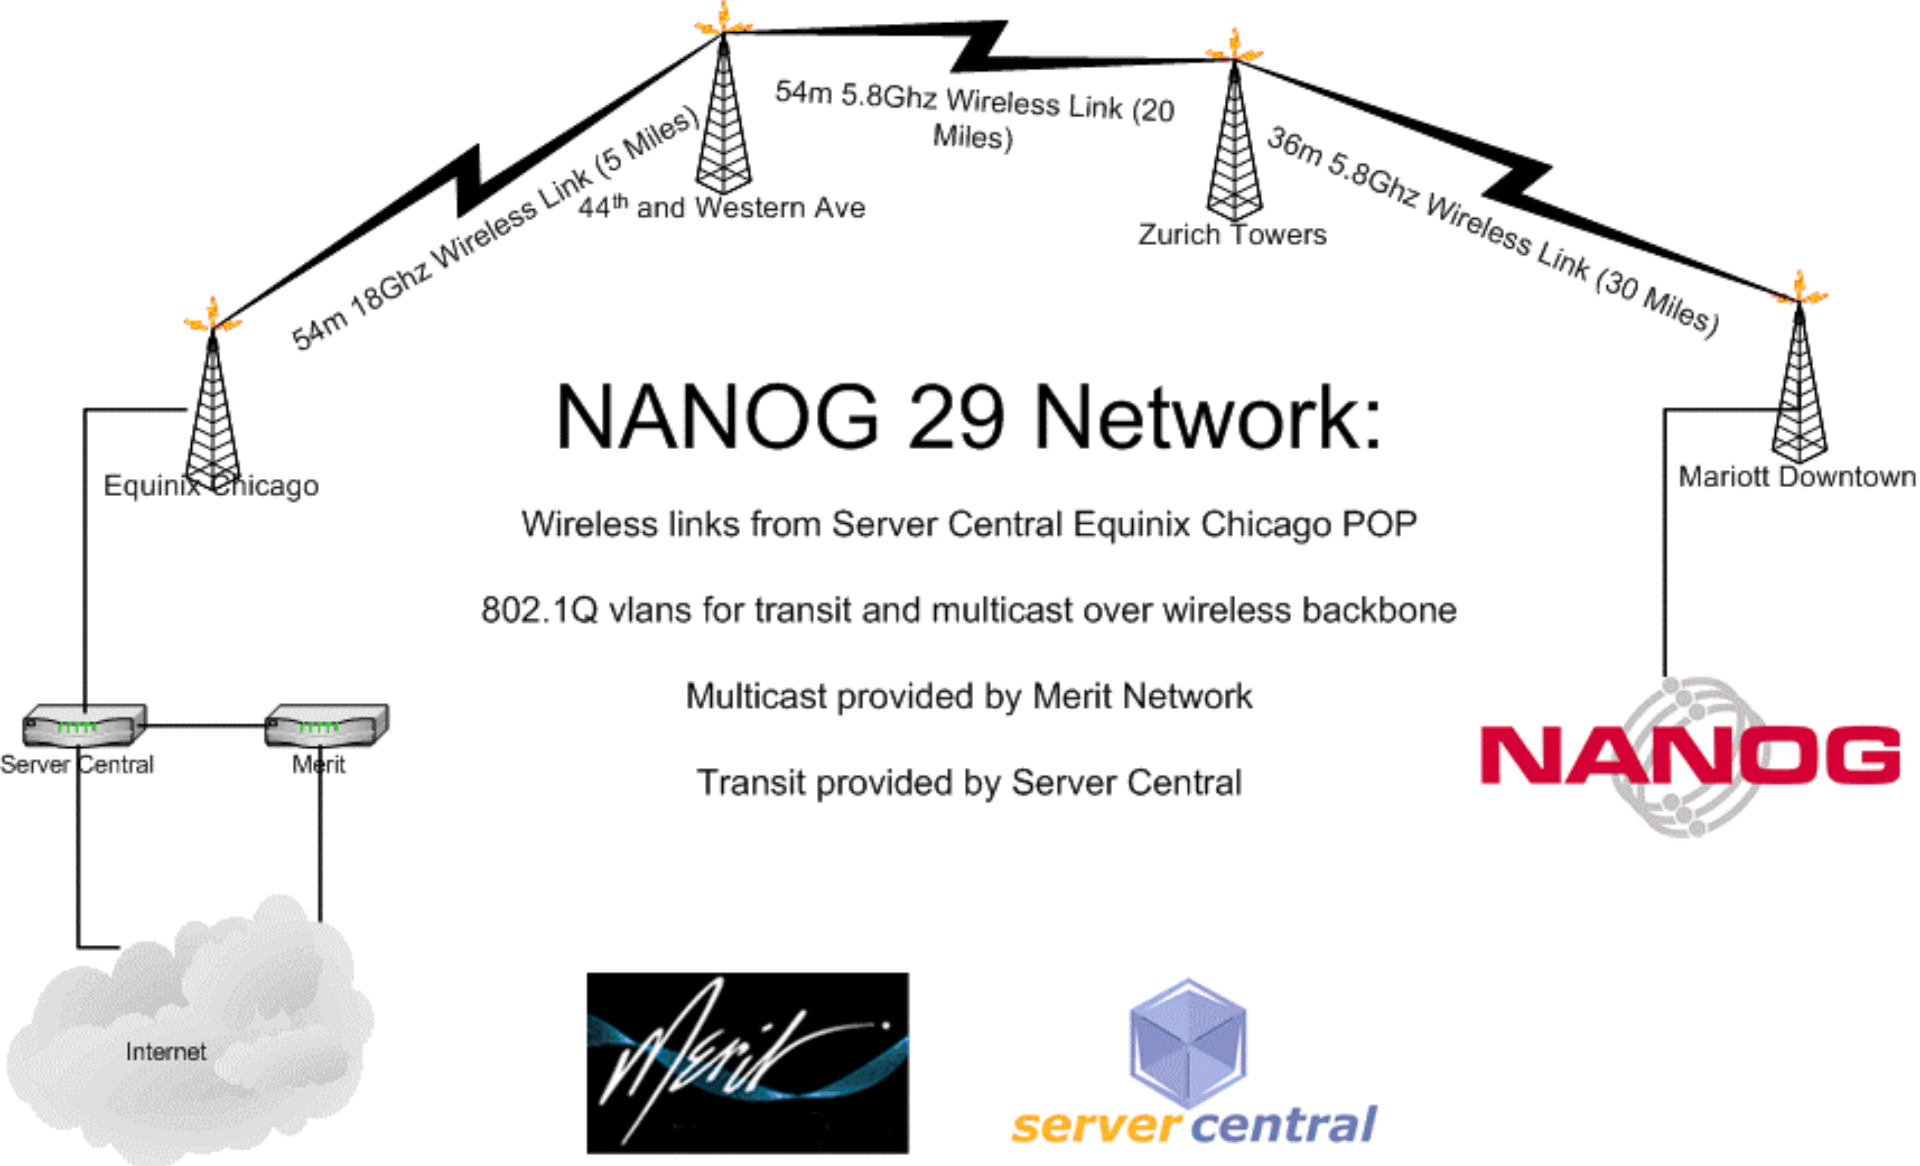

Pointers:

#1 Do not attempt to catch any baseballs.

#2 Parking within city limits will dwarf the cost of your NANOG registration.

#3 Your flight is not leaving from Meigs.

#4 Yes we know Soldier Field is ugly.

NANOG 29 Network:

Wireless links from Server Central Equinix Chicago POP

802.1Q vlans for transit and multicast over wireless backbone

Multicast provided by Merit Network

Transit provided by Server Central
