Moving Forward

- **Acceptable Use Policy**

- Discussion will focus on Internet operational and technical issues as described in the **charter** of NANOG.
- Postings of issues inconsistent with the charter are prohibited.
- Cross posting is prohibited.
- Postings that include foul language, character assassination, and lack of respect for other participants are prohibited.
- Product marketing is prohibited.
- Postings of political, philosophical, and legal nature are prohibited.
- Using list as source for private marketing initiatives is prohibited.
- The list should reflect the activities of the conference. If you can't point to the list as a justification to attend the conference, we're losing.

Moving Forward (2)

- **AUP Adherence and Support**

- **MLC comments that address a posters behavior not on the list**
- **MLC comments that address the relevancy of any thread will be consensus based and public**
- **MLC will seek internal consensus on warnings and warnings will be clearly identified as such**
- **AUP non-conformance is equally weighted**
- **Roll call votes for subscriber bans and/or reinstatement**

- **Transparency**

- **Automated filters will be posted clearly and accurately on website**
- **Automated monthly statistics will be posted on website**
- **Public minutes of monthly meetings posted in a timely fashion on website**
