NANOG Meetings
Meet us in San Diego for NANOG 54!
NANOG is traveling out west for NANOG 54, gathering in the Westin Gaslamp Quarter in San Diego's vibrant Gaslamp Quarter, one of Southern California's premier dining, shopping, and entertainment districts.
Here you'll find a truly eclectic blend of food, fun, and culture - all within one of San Diego's most historic areas.
NANOG 54 takes place on February 5-8, 2012 and offers a great opportunity to freshen up your skills, learn advanced networking techniques, and discover new network applications. NANOG 54 will be hosted by Telx.
Thanks to our host!

Abha Ahuja

After a brief and unexpected illness, NANOG's friend and colleague Abha Ahuja, 28, passed away on October 20, 2001.

Abha's engineering and operations work on behalf of the Internet had a profound influence in the areas of ISP coordination, routing, statistical analysis, and performance measurement.

Active in ARIN, RIPE, APNIC, AfNOC, the IRTF, the Internet Society, and other organizations, Abha was a Senior Research Engineer at Arbor Networks in Ann Arbor, and Director of the Routing Area at IETF. Previously, she was a member of the Internet Engineering group at Merit Network and a Senior Network Engineer at Internap Network Services.
