

The logo for ARIN (American Registry for Internet Numbers) is displayed in white serif font. A horizontal blue line with a slight gradient passes through the middle of the letters. The background of the slide features a blue grid pattern and a stylized globe on the right side, showing the Americas. A blue wave-like shape is at the bottom of the grid area.

NRPM 8.3 Transfers – Reasons for Denial

- Requests to transfer to a party without any operational need
- Requests to transfer blocks by other than actual registrant
- Requests to transfer block sizes smaller than minimum
- Requests to transfer blocks larger than needed by recipient
- Requests to transfer blocks outside of the ARIN region (*)

* Active policy development underway in this area
