Creating the 5Y Game Plan (Board Retreat)

Focus on 2013-2017

- Welcomed 3 new Board Members
- Opportunity to come together and spend focused attention on NANOG's direction

Identified 3 strategic goals

- WIP + fleshing out initiatives
- Participate in Members meetings during 2013

NANOG 5Y Strategy (Board Retreat)

Focus on 3 goals (sub committee leaders)

1. Provide a framework for North American Operators' input into Internet operations
2. Create industry-recognized education and publication programs
3. Create compelling value proposition for the operator community

Become a member!
