The Who, What, When, Where, Why, & How's of NANOG

Ryan Donnelly
NANOG Board of Directors

Who

- NANOG is a membership organization
- Organized as an 501 (c)3 non-profit
- Focused on the technologies and systems that make the Internet function

What, When, Where

- 3-day conferences and 1-day NOTR meetings
- Main conferences in Feb, June, Oct
- On The Road meetings in April, September, November
- Located in the North American Region

Why

- NANOG evolved from the NSFNET “Regional-Techs” meetings.
- In February 1994, the group revised its charter to include a broader base of network service providers, adopting NANOG as its new name.
- In February 2011, NANOG became an independent membership organization.
- NANOG Meetings are key venues for operational staff and regulators to come together and discuss technical operations in a frank and open manner.
