Meet us in Dallas, TX for NANOG 68!

Meet us in Dallas, TX for NANOG 68!

NANOG is traveling to Dallas, Texas for NANOG 68. This will be NANOG's third back-to-back meeting with [DNS-OARC](#) and thirteenth back-to-back meeting with [American Registry for Internet Numbers](#) (ARIN 38). We will be gathering at the Fairmont Dallas.

Dallas, home to 18 Fortune 500 companies, is the 9th largest city in the United States. The Telecom Corridor, a high-tech business concentration located just 15 miles north of Downtown Dallas, is home to over 1,600 companies focused in areas of equipment & component manufacturing, telecommunications, data processing, hosting and service providers. The microchip was invented in Dallas in 1958.

NANOG 68 takes place on October 17-19, 2016 and will offer a great opportunity to network with colleagues, freshen-up skills, learn advanced networking techniques, and discover new network applications. The NANOG 68 host sponsor is
