Declaration

I hereby signify my willingness to stand for office as candidate for:

Member of Program Committee

I agree, that if elected, I will adhere to the Bylaws and Policies and Procedures of NANOG currently in force and as may be amended by the membership from time to time.

1) Provide a brief biography of recent experience, associations, and affiliations relevant to serving on the NANOG Board of Directors or NANOG Committees. Please be as specific as possible.

I have attended NANOGs over the years, including the last 6 meetings, served on the NANOG Development Committee for the last 2 years and done tutorials at the last 5 NANOG meetings. I also regularly attend other network operator group and

technical meetings, including RIPE, PLNOG, FRNOG, IETF, etc. and have spoken at them, so I have experience with other groups' programs and what works and what doesn't work as well.

The technical program at NANOG is a huge part of why NANOG meetings are relevant and well attended. I think that my experience with conferences and speaking, as well as my contacts at these organizations, will make me a useful member of the team and let me contribute to a varied and evolving series of programs.

The following questions are to be answered by Board of Directors Candidates ONLY

- 2) Describe the relevance of your technical and professional experience to serve on the position you are interested in.**

- 3) What Internet-related services do you or your current employer or organization provide?**

- 4) Are there any conflicts, real or perceived that might arise should you be elected as a NANOG Board of Directors or Committee member?**

- 5) What contributions do you plan to make to NANOG over the next year? What are your personal objectives should you be elected?**
