NewNOG, Inc. Bylaws

Adopted October 7, 2015 by the NewNOG membership

1. Preamble

NewNOG, Inc. (hereinafter referred to as "NANOG") exists to promote dialog concerning the creation, maintenance and operation of Internet Protocol networks.

NANOG is not itself a network operator. Rather, it is a facilitator of discussion, learning, and technical communication between networking professionals. NANOG provides a forum where people from the network research community, the network operator community and the network vendor community can come together to identify and solve the problems that arise in operating and growing the Internet.

2. Name

The name of this corporation is NewNOG, Inc., doing business as "NANOG".

3. Mission

The purpose of NANOG is to provide forums in the North American region for education and the sharing of knowledge for the Internet operations community.

NANOG is a venue in which technical matters pertaining to network operations and network technology deployment in Internet providers may be discussed among experts. Such discussions have in the past focused on, but are certainly not limited to, experiences with new protocols and backbone technologies, implications of routing policies on the Internet as a whole, measurement techniques and measurements of Internet health and performance, areas in which inter-provider cooperation can be mutually beneficial (such as NOC coordination or security incident response), and maintaining a competitive and level business environment.

NANOG serves as a bridge between the technical staff of leading Internet providers close to network operations, technical communities such as standards bodies, and the academic community. NANOG has consistently worked to maintain a high level of technical content in conferences and all related activities. In striving to achieve these goals, all tutorials and presentations, including BOF presentations, are reviewed in advance and are limited to those entirely of a general technical nature, explicitly prohibiting material that relates to any specific product or service offerings. For similar reasons, equipment exhibits are limited to specified special events at each conference. Notwithstanding any other provision of these Bylaws, NANOG shall not carry on any other activities not permitted to be carried on by a corporation exempt from Federal income tax under section 501(c)(3) of the Internal Revenue Code (or corresponding section of any future United States Internal Revenue Code).

4. Board of Directors

4.1 General Powers

The property, affairs and business of NANOG shall be managed and controlled by its Board of Directors. The Board of Directors may, by general resolution, delegate to officers of NANOG and to Committees or Working Groups, such powers as provided for in these Bylaws.
