1	Good selection of topics	4/15/2016 4:06 PM
2	First one so no basis for comparison. Great as overall seminar.	4/15/2016 4:05 PM
3	- Wide range of topics - Energetic Speakers - Afternoon speaker went way over	4/15/2016 4:04 PM
4	I *really* appreciate that you didn't make speakers try to "catch up" the schedule, but the schedule skew was significant, and of my colleagues has a 5:30 appointment. Speakers need their allotted time, but a timekeeper helps me.	4/15/2016 4:03 PM
